Stone pads are priced taking into consideration that your ground is within 6" of level.

Price will increase for ground that is in need of additional stone to become level.

if additional load of stone is required there will be an additional \$250 charge

8x10-10x14 prices include one load of stone

10x16-12x24 prices include 2 loads of stone

if stone needs to be wheelbarrowed to the pad location there will be a \$200 charge added
